

EQUIPMENT WAIVER

The Outaouais Minor Football Association and its members strive to provide the safest playing environment possible.

This letter confirms that _____ and/or guardian that any equipment worn or used which is not provided by an Outaouais Minor Football Association (OMFA) member will be properly maintained and used as per the manufacturers specifications and that the association and its member teams are not liable for the misuse or failure of the replaced equipment. (Example of but not all inclusive of replaced equipment is shoulder pads and helmets).

It is the responsibility of the player to ensure the equipment used meets requirements of the Quebec Midget Football League and the National Capital Amateur Football Association, its membership and the Canadian Amateur Rule Book.

For safety reasons, the Outaouais Minor Football Association strongly recommends that the member team provide the only equipment used by a player. In the event a player chooses to use equipment not provided by the member team, the member team and/or the OMFA will not be liable for any injury that is cause by or attributed to the misuse, failure or maintenance of equipment.
